REMARKS/ARGUMENTS

The outstanding Office Action sets forth a restriction requirement between claims 1-16 drawn to a door and claims 17-30 drawn to a method of making a core. In response, the Applicant hereby elects, without traverse, examination of method claims 17-30 in this application. Of course, the Applicant reserves the right to file a divisional application to cover the non-elected subject matter. If the Examiner should have any additional questions or concerns regarding this matter, she is cordially invited to contact the undersigned at the number provided below to further expedite prosecution.

Respectfully submitted,
